**2002**

**5A State Champions**  
**2003, 2006**

# TIGER VOLLEYBALL CAMP 2010

## CAMP INFORMATION

We would like to congratulate our Varsity Girls on their eleventh consecutive Region Championship and impressive run to the 5A-1 State Semi-Final. At the moment we are hard at work preparing for another season filled with expectation. As part of our championship preparation we will again host our annual "Tiger Volleyball Camp" this summer. We hope to help individuals continue in their progress towards the winning tradition. Our camp offers highly qualified instruction for each of our age levels: Level "A" ( 10 years & under) and Level "B" (11 to 17 years old).

### Individual Skills Camps:

We are excited to continue our "Little Tigers" Level "A" camp (10 and under). This camp is fun for kids and introduces and reviews basic individual volleyball skills. We hope this will help the youngest of players develop a love for the game and provide them with some very basic fundamentals in both volleyball and teamwork. The Level "B" camps are for ages 11 yrs - 17 yrs and is intended for both boys and girls who are looking to improve their volleyball abilities for the next level. There are 5 different weeks of camps, making it possible for more athletes to attend.

Each day will be broken up into different sessions for drills and skill instruction. Sessions will include: skills taught for passing, setting, hitting, defense, and blocking. Players will be tested and grouped by skill and experience for some team competitions and games. Players will also spend time in the classroom each day reinforcing the skills they have learned. Each group will have a current or former collegiate volleyball player to demonstrate and teach skills and assist in instruction.

### Setter / Hitter Camp:

We are proud to again offer our, most popular camp, the setter/hitter position specific camp. This camp is designed to work on the specific techniques related to playing as a setter or a hitter. Each camp session provides a more intensive training related to each particular skill. This camp provides an opportunity for each athlete to specialize on a specific area of improvement.

### Junior High Tryout Camp:

This camp will provide information needed to gain an advantage in trying out for the junior high school team. We will address strategies and techniques used to help players prepare for their tryout.

## CAMP STAFF
